An Important Office

Voters, as a rule, know less of the duties dependent upon the clerk of the district court than they do of the duties of those holding other county offices. The business of the clerk of the court is not of a routine nature nor is it wholly clerical; something new comes up each day, and to properly and efficiently fill the position considerable knowledge of law is required. In this office judgments are entered and the distribution of the money made, requiring the clerk to handle thousands of dollars; the court orders a partition or division of property and it is the clerk who executes the order of the court and sees that the partition is made—these requiring absolutely correct records—he must be versed in law in order to know whether instruments are in form to accept or reject; he issues the decrees of the court; in fact he is an exceedingly responsible official.

During his incumbency of the office Geo. E. Prosser has proved his efficiency. Attorneys of Omaha, Lincoln and elsewhere who have visited the office on business have complimented Mr. Prosser highly on the complete manner in which he keeps his records. These records have been systematized by Mr. Prosser you don't need go through a dozen books to trace up the information desired. This is an office in which efficiency counts, and Mr. Prosser possesses the efficiency.

Pizer Buys More Property.

Julius Pizer has purchased from Wm. E. Shuman three lots on east Front street which he will use for business purposes. These lots have Union Pacific trackage and are splendidly located for business purposes. East Front street has recently shown a remarkable growth in a business way during the past few months. Leypoldt & Pennington having built an elevator and established a grain buying office in this street and the new Walmath Lumber & Coal yards also having been recently located there. Besides Derryberry & Forbes warehouse and the North Platte Produce Co. have changed their locations on Front street, moving the same several blocks to the east. The Star Bottling Works will also soon erect a modern building upon this street. These enterprises are in addition to the Artificial Ice and Cold Storage Plant which was located there three years ago.

A Prosperous Pastorate.

With the beginning of this month, the pastor of the Lutheran church, Rev. C. B. Harman, begins the eighth year of his pastorate in our city. During this time 300 children and adult members were added to the church. The congregation has expended in their local work during this time, \$14,552.57 and has contributed to benevolence \$3,554.40. In this item for current expenses is included the payment of the debt of \$2,400, which with the interest, amounted to about \$3,000. Above this is the \$4,000 now on hand for the new church building, which makes the total of money by offering and other wise, during these seven years, above twenty-five thousand dollars.

ARRANGE DRY MEETINGS FOR NEXT SUNDAY

At a meeting of the Lincoln county branch of the Nebraska Dry Federation held last Sunday plans were made to make the coming Sunday, November 5th, a red letter day in the campaign to secure a large majority in Lincoln county for the dry amendment at the coming election. Accordingly arrangements have been made to hold a mass meeting at the Keith theatre next Sunday evening at 8 p. m. To lend encouragement to this, all the protestant churches of this city have waived their evening services. The choirs of these different churches will be united upon the stage and the music used will be from the song books used during the Lowry revival meetings. This meeting will be addressed by H. G. Knowles, and since he will leave North Platte in January it will probably be the last public meeting (other than the Christian church services) addressed by Mr. Knowles.

Brady, Maxwell and Hershey will also have a part in this red letter day of the dry forces. A number of citizens of Hershey especially requested that speakers from North Platte be sent there Sunday evening, and this program will be carried out and church services will also be dispensed with there Sunday evening. At 7:30 p. m. Messrs I. L. Bare, W. E. Shuman, W. T. Wilcox and E. J. VanDerhoof will give ten minute addresses upon the liquor question. J. H. VanCleave will be chairman of this meeting.

At Brady and Maxwell open air meetings will be held Sunday afternoon, if the weather is suitable. Otherwise the meetings will be held indoors. At 1:45 p. m. the autos that are to participate in the trip to Brady and Maxwell will gather at the intersection of Sixth and Dewey streets. There will be two sets of musicians for this trip, one being a group of band boys who will go to Brady, and the other a group of ladies who will sing at Maxwell. The entire party will drive to Maxwell over the Lincoln highway; arriving there at 3 p. m., the party will be split and half of the party will go on to Brady. At Maxwell Louis Macey, M. E. Scott and H. G. Knowles will give short addresses. E. S. Davis will preside as chairman and the ladies will furnish special music. The party that continues to Brady will speak there at 3:30 p. m. This meeting will be addressed by E. J. VanDerhoof and attorneys W. T. Wilcox and W. E. Shuman. J. H. VanCleave will preside as chairman.

The committee desires to have as many people and as many autos as can be secured to join in these different trips, and those who are willing to go are requested to notify J. H. VanCleave or E. S. Davis.

Nebraska Probably for Wilson.

While the republican national committee places Nebraska in the doubtful list, it is generally conceded in the state that Wilson will receive a majority of the Nebraska votes. It is probable that the Wilson vote will add strength to Neville, and that his election is pretty certain, though his majority is not expected to be as large as Wilson's.

Albert Cooper and Clarence Smith left Wednesday evening for Omaha to spend a fortnight.

For Rent After the 20th—A cozy home consisting of 7 rooms. Modern. The local foot ball team will play with the Lexington team in Lexington Monday afternoon.

Ira Simpson who had been with Co. E on the Mexican border returned home the first of this week.

The Catholic ladies will hold a social at the home of Mrs. Carl Simon on Thursday afternoon November 9th.

SUSPECT YOUR KIDNEYS

Too Many North Platte People Neglect Early Symptoms of Kidney Trouble.

If your back is lame—if you feel dull, tired and all-worn-out—

If you have hard headaches, back-aches and dizzy spells—

If the kidney secretions are disordered—

Make use of Mrs. Rork's experience.

Mrs. Sarah Rork, 509 W. Ninth St., North Platte, says: "Doan's Kidney Pills have been used in my family for years. I have been greatly helped myself, though I have had to use them less than others. I give them to my children whenever I find they are feeling weak and run down, so that they do not eat or rest well. To Doan's Kidney Pills belongs credit for the good health my children have."

KEITH NEVILLE
 Democratic Candidate for Governor
 A NATIVE SON

A practical man of the people who has made a success in business and to whom the tricks of the ambitious politician are unknown.

He offers a constructive program that will benefit the people of Nebraska and his candidacy is in harmony with the strong Democratic platform adopted by his party at Hastings.

He believes that the highest duty of any public servant is to carefully see to it that the will of the people, as expressed, is carefully carried out.

The two Republican newspapers in North Platte are supporting his candidacy and the vote of nearly five to one given him at the primary election by the people of his home town, among whom he was born and raised, is proof absolute that he is a man of character and standing and a safe one to be entrusted with the business affairs, as well as the enforcement of the laws of the state.

Vote for a home-grown man and a continued, economical and business administration of state affairs.
